About Us:

Godtown began in 2011 with a vision to purchase and restore a foreclosed house in the troubled Frogtown neighborhood as an evidence of how God transforms lives and communities. Our mission is to be a visible evidence of transformation by creating safe and sober environments for young adults. Our initiatives include:

- The Safe City Project: A Crime Reduction Partnership with the St. Paul Police and other organizations
- The Godtown Leadership Program: Discipling leaders the way Jesus did: on the field! Offering workshops, mentorship, and ministry opportunities.
- Homeless Outreach: Engaging the homeless community with food, friendship, prayer, and resources
- R.O.C.K.: Reaching Our City's Kids: Providing a safe environment for kids to experience God through games, stories, music, and FUN
- Food Distribution: Fighting food insecurity while building ongoing relationships through food ministry
- Community Gardens: Growing produce with and for our neighbors; Occupying abandoned lots and turning them into community spaces.
- Hands-On Missions: Meeting community needs through construction projects, neighborhood clean-up, and practical service.
- Godtown Global: International mission opportunities as well as local missions with partners across Minnesota
